**Please note: due to the sensitive lungs of many of the children staying at RMHC, we request items come from a smoke free environment, especially fabric items and toys.

Meals

We are committed to providing a hot meal every night at each of our 3 locations (The Ronald McDonald House and the Ronald McDonald Family Rooms at St. Luke's and at UI Stead Family Children's Hospital). Families, groups of friends, clubs, civic organizations, work groups, student groups, and church groups prepare meals for our families.

To make arrangements for a meal, please sign up online at rmhc-eiwi.org.
