Has your boss ever pushed you over the edge? It's time to return the favor!

TOSS YOUR BOSS

Ronald McDonald House Charities – Eastern Iowa & Western Illinois invites you to experience Over the Edge on September 15, 2017. Over the Edge is a signature event in which participants raise funds for RMHC-EIWI in exchange for the once-in-a-lifetime experience of rappelling down the side of a building.

Businesses are encouraged to work together to raise a minimum of \$1,000 to “toss your boss” (sponsor your boss’ rappel, that is) off of the Plaza Towers building in downtown Iowa City!

All funds raised by Over the Edge will benefit RMHC-EIWI. Through the Ronald McDonald House in Iowa City and the Family Rooms at St. Luke’s in Cedar Rapids and University of Iowa Stead Family Children’s Hospital, we help remove the barriers that separate families while they receive treatment for a critically ill or injured child. We provide the essential comforts of home: warm beds, hot showers, home-cooked meals and more while keeping families close to each other and the care they need.
