Keeping families close

Since 1985, Ronald McDonald House Charities of Eastern Iowa & Western Illinois has worked to keep families close to each other and the care they need, when they need it most.

For more than 30 years, our organization has touched the lives of thousands of families every year through our flagship Ronald McDonald House of Iowa City and the Ronald McDonald Family Rooms at UnityPoint Health – St. Luke's in Cedar Rapids and the University of Iowa Stead Family Children's Hospital.

RONALD MCDONALD HOUSE OF IOWA CITY

The Ronald McDonald House of Iowa City provides support and home-like accommodations to families with a child age 21 or younger undergoing treatment at local hospitals and clinics. During their stay, the Ronald McDonald House provides the comforts of home—from home-cooked meals every night to private room and bath facilities, laundry, kitchen and more.

RONALD MCDONALD FAMILY ROOMS

Ronald McDonald Family Rooms provide a respite for families of children being treated in area hospitals, allowing them to escape the sights, sounds, and stresses of the hospital room while staying close to their child. This allows families to take care of themselves so they are better equipped to take care of their children.

Family Room at UnityPoint Health - St. Luke's

The Ronald McDonald Family Room at St. Luke's Hospital is located on the second floor of the Women and Children's Building at UnityPoint Health – St. Luke's Hospital. Amenities include sleeping rooms, a home-cooked meal every night, kitchen and pantry, shower suites, living room and laundry facilities.
